Accessing VoiceThread

1. You will receive a message with your login information and a link to the group page. Click on the link for your group page, then:

2. Click the Sign in Or Register link

3. Enter your Luther Seminary email address and the password that was sent to you. Click sign in.

4. Click the drop down menu in the upper right-hand corner and select MyVoice

5. Select the small group assignment, then click on the sample voice thread.
The first time you log in, you may be asked to add a picture. To get started, go ahead and choose to “do it later”.

If you do nothing, the VoiceThread will begin automatically.

6. The VoiceThread Screen explained:
   1) Click to comment via voice recording, webcam, or text
   2) This switch toggles from “pause” to “play”
   3) The right arrow will take you to the next slide
   4) The left arrow will take you to the previous slide
   5) Click the icon(s) that appear around the presentation to view the user’s comment
