Retaking a quiz

Upon finishing a quiz and clicking the “submit” button (from the quiz), a screen like this appears:

1. Review your score
2. If you need to review the quiz instructions click the link
3. If you desire to retake the quiz, click “Start Retake”
4. If you are satisfied with your quiz results, click the Turn in....quiz link

*Please note: If you turn in the quiz, you cannot automatically go back for a re-take (the instructor would need to re-open the quiz for you)*
